

Industrial Participation / Multirole Helicopter Program

19 December 2019

The Government of the United States of America has offered to the Government of the Czech Republic the AH-1Z Viper and UH-1Y Venom aircraft, in accordance with the specifications and requirements issued by the Czech Republic Ministry of Defense and reflected in the Letter of Offer and Acceptance (LOA), dated June 15, 2019 and signed December 12, 2019. Bell Textron Inc. as the original equipment manufacturer of the UH-1Y Venom and AH-1Z Viper, recognizes the Industrial Participation requirement of the Czech Republic and has developed Industrial Participation projects and cooperation agreements with representatives of the Czech Defense Industry. These projects and agreements have been signed by representatives of Bell Textron Inc. and the Czech Defense Security Industries.

As an expression of the goodwill and the promise of cooperation between Bell Textron Inc. and Czech Defense Industry on the H -1 helicopter project for the Czech Armed Forces, Bell Textron Inc. and the Czech Ministry of Defense agree that the projects and agreements as presented fully address the requirements for Participation of the Czech Defense Industry as specified in Annex No. 10 to the RD-LOR as issued by the Government of the Czech Republic dated November 9, 2018.

The undersigned are authorized representatives of the Czech Ministry of Defense and Bell Textron Inc.

Mr. Filip Říha,
Deputy Minister of Defense
